

2018-19 St. Michael Preschool & Christ for Kids Childcare

Christ for Kids provides a Christian setting for young children to develop and grow spiritually, emotionally, socially, intellectually and physically. Certified teachers lead each preschool class using a multi-sensory approach and cross-curricular activities designed to help children develop at their own pace in a loving and caring environment. Frequent newsletters keep parents informed of classroom themes, events, and volunteer opportunities. (CFK is not a co-op, parents are not required to volunteer in the classroom)

3's

Our preschool program is designed for students who will be 3 years old by September 1, 2018 and are able to use the bathroom independently. This program focuses on socialization skills as well as academic readiness skills such as shapes, colors, counting, sorting, and concepts of print.

TK

St. Michael Lutheran School continues to meet the individual needs of kindergarten-aged students who may not yet be ready for a full day kindergarten experience. *Transitional Kindergarten* is a great way to give your child the extra gift of time that they may need. Students who need additional time with academics or socialization before entering full-day kindergarten can benefit from our *Transitional Kindergarten* program. This class meets 1/2 days Monday through Friday. While schools everywhere are beginning to eliminate Developmental Kindergarten/Young 5's programs, at St. Michael we are offering an option that is academically stimulating and provides the individualized attention these students need. *Transitional Kindergarten* students receive differentiated instruction designed specifically to prepare them to be successful in the full-day, traditional kindergarten setting. For Students who will be 5 years old by March 1, 2019.

Meets M-F 8:00-11:30 AM

*We gladly accept schedule requests. However, final placement will be based upon recommendations from the teachers and program director.

Christ for Kids Childcare

We place Christ at the center of our program and show respect for each child's individuality and their God-given gifts. We believe children learn best through play and encourage reasoning, questioning, and experimenting while providing hands-on materials

for learning. We provide age appropriate schedules that balance free choice with structured time as well as active play with quiet time. The childcare center is open Monday –Friday 6:30 am - 6:00 pm. Our school age program works with students through 8th grade. Students enrolled in school or preschool and childcare will be escorted to and from their classes at the appropriate time.
